SHORT RESUMÉ

2020–2021 | **Higher certificate in Support Services**
CERTIFIED · Nelson Mandela University 📍
Completed my Higher Certificate with cum laude. This program provided an excellent introduction to software development, beginning with foundational concepts like pseudocode.

NELSON MANDELA UNIVERSITY

2021–2023 | **Diploma in Software Development**
CERTIFIED · Nelson Mandela University 📍
Completed my diploma with a focus on Csharp and the .NET framework, delving into the core aspects of software development. This is where I developed a strong preference for back-end development over front-end.
